Dear Distinguished City Council Members,

Please keep the Haleiwa Park Mauka land in public hands. We need to preserve whatever is left of our paradise to define our state as such. I do not want to see an over developed island where places we could enjoy with our families disappear to the highest bidder. Once these lands go to private hands, there is little chance to recover what is lost. Our resources are scarce and the cost of living too high which is where we are headed if we continue on this path to develop Haleiwa Park Mauka. Take a look at Alii Beach Park on the weekend and you will see just how crowded it already is because of the lack of park land. Please consider my plea as well as the rest of the people who do not want to see our lands disappear. Thank you.

Sincere Regards,

Kenneth M. Matsumoto
